

Built on technical expertise

Clockwise from top: Passenger hoist; Bar shearing C42; Bar bending B52; Roller

What are you exhibiting at the exhibition?

▶ The company is going to showcase the following products:

- ▶ Auto stir up bender (KRB)
- ▶ Bending Machine B52
- ▶ Radius Bending Machine RB 36
- ▶ Shearing Machine C52
- ▶ Stirrup Bending Machine SB28
- ▶ De-coiling Machine
- ▶ Shearing Line
- ▶ Passenger Hoist

What is the purpose of taking part in the exhibition? And, what are your expectations?

bC India has always been an excellent international platform to showcase Jaypee products. Jaypee hopes that this year, the experience also turns out well. However, the event is not exactly a selling platform for the company. It's more important for brand promotion and marketing.

Any new products launches at bCIndia 2013.

Jaypee is all set to launch the brand new Vibratory Roller – VR 6500 – and Passenger and Material Hoist.

Jaypee India Limited, the largest manufacturer and exporter of JAYMAC range of rebar solutions, reinforcing bar bending and cutting equipment in India, has, since its inception in 1982, constantly upgraded its portfolio with diverse offerings, challenging projects and impressive clients.

Their reputation is built on technical expertise, professional approach and commercial integrity. With a dedi-

cated team of dynamic, qualified professionals, they provide optimal engineering solutions meeting client requirements. They are reputed for building long term, successful partnerships with their clients based on mutual trust and respect.

With manufacturing facilities in Howrah, Kolkata, and in Taloja, Navi Mumbai, today, the Company is counted as the renowned manufacturer, exporter and importer of wide range of

construction machinery and allied products. Their range of products in Rebar processing equipments are Bar Bending Machines, Bar Shearing Machines, Bar De-coiling and Straightening Machine, Scrap Bar Straightening Machine, Portable Cutting Machine, Radius Bending Machine, Manual Stirrup Bending Machine, Spiral Bender. Besides, Batch Mix Plant, Concrete Mixer, Mini Dumper, Vibratory Roller, Tower Crane, Passenger Hoist, suspended platform hoist, etc., include their product range in Concrete processing and Material handling equipment.
