

Jaypee Gets Amazing Response From bc India 2011

Jaypee India Ltd successfully participated in the show, and showcased the best machines with the latest technology. The machines displayed in bc india 2011, which

received tremendous response from the market were ...

Bending machine B52, Shearing machine C52, Bending machine B42, Shearing machine C28, The new Bending machine B28, Radius bending machine RB36 and our International partner KRB Machinery displayed the advanced version of Auto Stirrup Bender COIL FORM 612.

These became the centre of attraction of the Jaypee Stall at BC India 2011.

GM Sales Jaypee India Ltd Mr. Ray says the exhibition proved to be

excellent for Jaypee. And such exhibitions are very important for our business."

bC India according to him was an excellent platform.
